Due to the prolonged impact of COVID-19 trading Higher Taste Hare Krishna restaurant will now be operating from smaller premises and with fewer staff and reduced opening hours (**11am to 3pm and 5pm to 8pm**). **A la carte orders will close at 7pm.**

We apologise for the inconvenience and seek your cooperation, continued support and business as we transition.

**To our dine in customers and visitors, we would appreciate your help by clearing the table and returning your plates and glasses to the trolley.**

We will continue to provide vegan and vegetarian dishes on the Bain Marie, and we will be reviewing and reducing the A la carte and takeaway menu.

**Also, please reduce the prasadam (food) wastage.**

Despite the difficulty of trading during Covid we survived because of your on-going support.

**Thank you.**
